# DEDICATION

This yearbook is dedicated to those brave people who brought about the birth of our nation. To those colonists who acted together and met to oppose British demands. To those who began the long struggle from the first shots fired at Lexington to the surrender of Cornwallis at Yorktown. To all of those banded together by common ideals who brought about much more than mere independence. To those who established our nation as a place where every human being could be free, and have something to say about how he was governed. These ideals of liberty grow brighter each day . . . we are grateful.

# THE FLAG . . .

Every country has its own flag. Our flag did not always look the way it does today. In the early days the colonists lived in thirteen separate colonies, each with its own flag.

The first days of the Revolutionary War, the colonists carried their old flags into battle. They needed one flag to stand for all the colonies fighting together. The American flag was to have a star and a stripe for each of the thirteen colonies.

The Betsy Ross Flag with the stars arranged in a circle was based on the idea that no colony should take precedence. This flag evolved into our present day flag.

All other flags soon disappeared after the Stars and Stripes was adopted, yet the insignia shown on some of them appears occasionally on a state flag.

I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.*

# IN CONGRESS, JULY 4, 1776.

## The unanimous Declaration of the thirteen united States of America,

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our Legislatures.

He has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences:

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free People.

Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the United States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do.—And for the support of this Declaration, with a firm reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

Shana,
You're a pretty crazy girl and fun too. Have a Big Senior Year.
Suzie

Four years and many moons ago our class brought forth upon this campus, a new body of students concieved in Liberty and dedicated to the proposition that all members were created unequal.

We have come to dedicate a part of our yearbook as a final resting place for those Seniors who gave their all so that our campus might live. It is altogether fitting and proper that we do this.

But in a larger sense we can not dedicate—we can not consecrate—we can not hallow this ground. The brave Seniors who struggled have consecrated it far above our poor power to add or detract. The school will little note nor long remember what we say here, but it can never forget what we did here.

We do resolve that the memories of the Seniors, by the Seniors and for the Seniors shall not perish from our hearts.

The Junior class officers were Troy Anderson, President; Tammy Hancock, Treasurer; Susie Ysaguirre, Vice-President; Jerry Chilson, Sergeant at Arms; Nancy Wagner, Secretary.

**Red, white and blue painted the scene for the "Spirit of "76", the theme for the Junior-Senior Prom. We worked very hard, organizing and preparing. Other activities for the year were the half time ceremony of the Homecoming Football game, a turkey raffle for Thanksgiving, selling popsicles during lunch, and running concession stands for both Football and Basketball games.**

**The Juniors had a super year, and are looking forward to being the graduating class of "77".**

Working toward the top! Doing our jobs at football and basketball games didn't seem so bad as we thought of how it would all turn out! We knew that as long as we kept working at movies, bake sales and booths at the carnival, it would all come out MONEY!

The money will be used for future events such as the Junior-Senior Prom and the Senior Trip. Two more years and we'll have it made!

Debbie DeRose, Conway Crunk, Martin Karaba, and Keith Mattox, our sponsors, put in their share of work, as they attended all of our activities. Thanks to them, we made it through the year.

The Sophomore Class Officers were Felicia Perez, Vice-President; Berta Myers, President; Elaine Manuel, Secretary-Treasurer.

We wore old dresses, diapers, garlic and onion necklaces, eighteen braids, or wigs, and whatever our owners added to beautify us. It was all in fun and we enjoyed ourselves.**

# TRAGYC JOINS STUDENT COUNCIL

Off to a rolling start! That's what our Student Council did at the beginning of the year and we kept on rolling all year long.

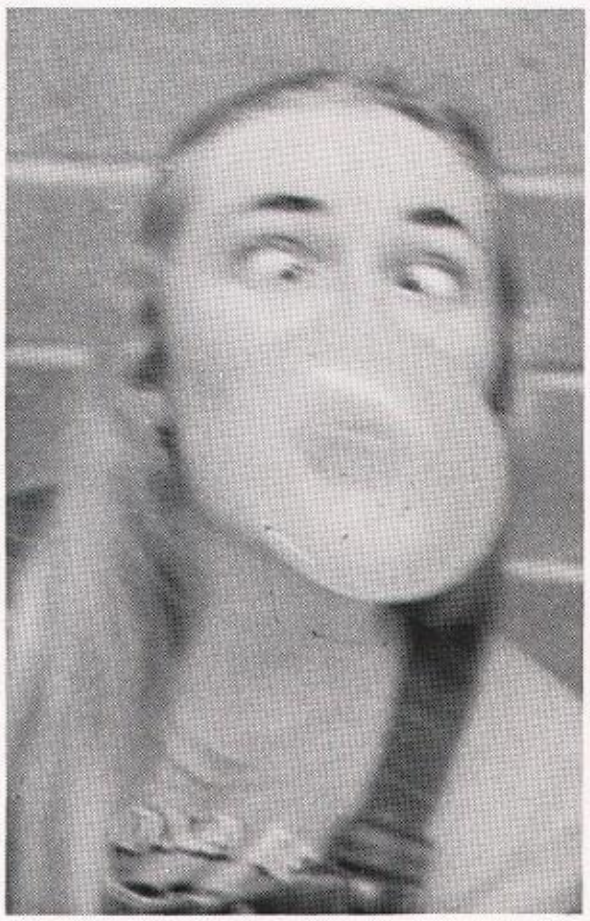
This summer on June 22, our President Suzie Myers went to Atlanta, Georgia to attend the Conference of The National Association of Student Councils at Towers High School in Decatur, Georgia. She had a blast as she learned how other schools "Keep on Trucking" with school enthusiasm and leadership. She lived in a home with the Elder's, a family in Decatur, who treated her like their daughter. All her fun in Atlanta ended on June 26.

Next on the yearly agenda was a trip to Tucson on October 2 — 4 with our new sponsor, Mr. Cobb, for the annual TRAGYC Convention where Debbie Pratt, Suzie Myers and Steve Franklin learned of ways to keep those wheels rolling without rolling over you!

We attended the Conference of the Association of Student Councils at Thunderbird High School in Phoenix. Bicentennial was the theme as "Computer Genesis" made us brainstorm for ideas to share with our newly made friends. The executive officers really got rolling on this one on November 20 and 21, with the help of Mrs. McGinley.

We didn't stop there! It was onward, to change the constitution and make it more detailed and less general in order to cover more areas that were previously very vague. We tried to eliminate class and club hassles this way.

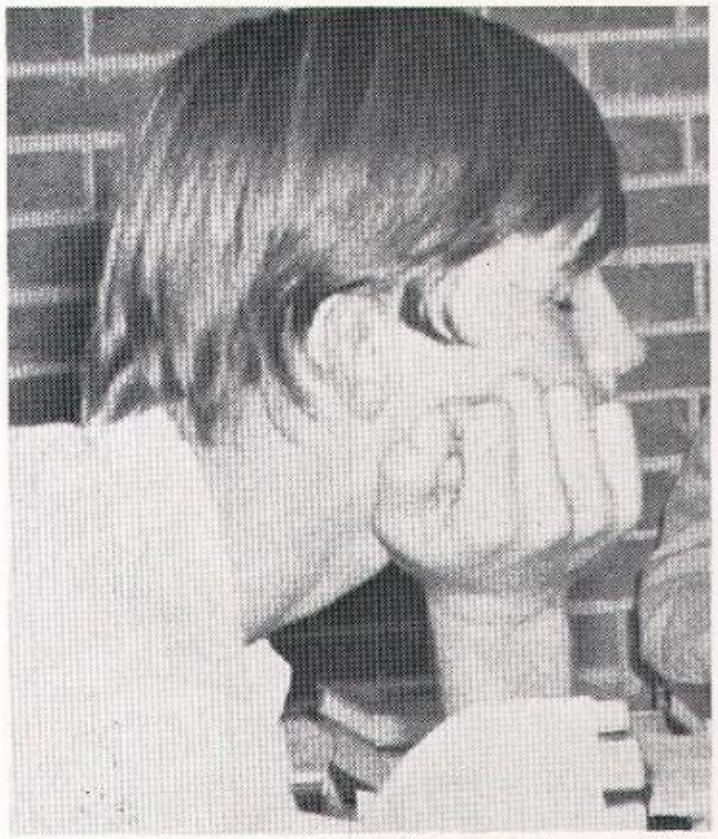
We slid out of the picture with our yearly Spring Party at South Mountain Park. We had plenty of chicken, potato chips, cokes, and hamburgers! With all the volleyball we played, we will really put up a fight next year if some team tries to rip off our title of South Mountain Volleyball Champs!



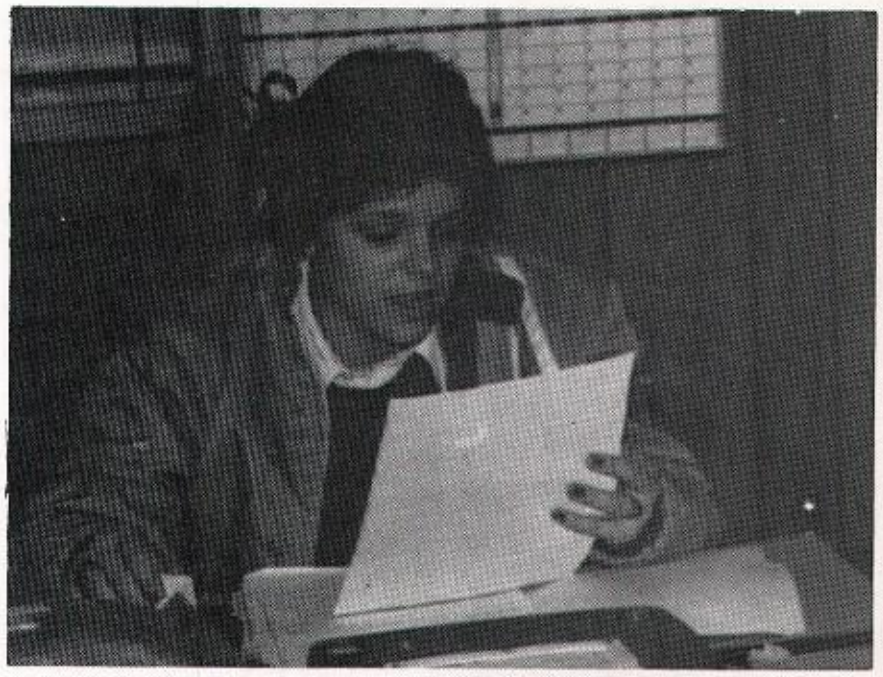
"Suzie Myers, our infamous president."

Sponsored by Mr. & Mrs. George Anderson.

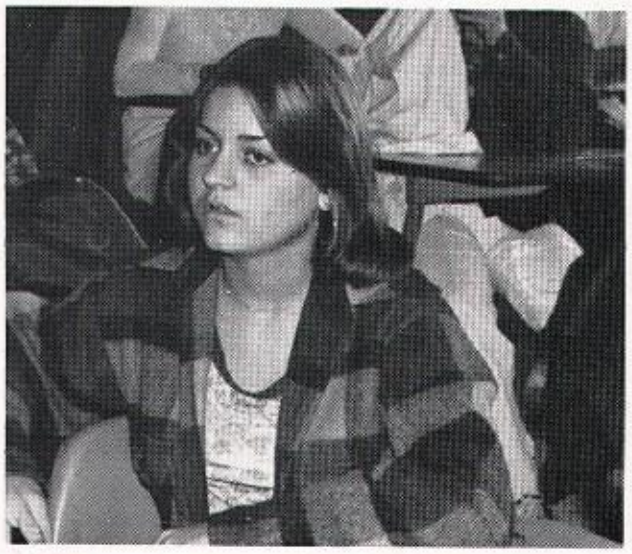
By the way Suzie looks, the Student Council meeting better end pretty fast!



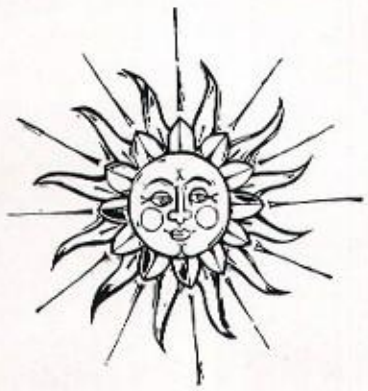
Heaven help us if this is an example of the MHS leaders!

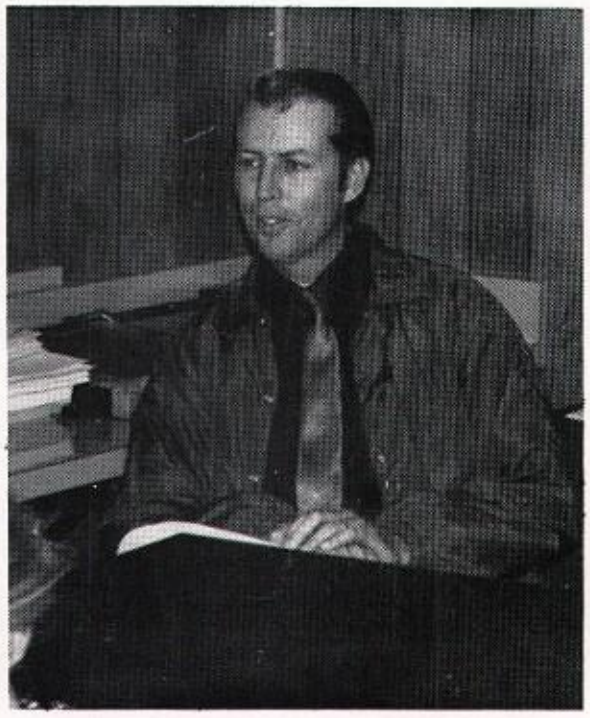


Duh . . . the minutes for the last meeting were . . . ahh*$$??!!?



Hey Brenda, what seems to be your problem?





Don't worry Mr. Cobb—things just HAVE to get better.

Bret and Susie really enjoy being together at these meetings.

With a pen and paper in hand the Rampage staff has presented the school with some exciting and numerous newspapers. The editor was Rick Chance and assisting him as Co-editor was Laverne Duncan.

We visited the Channel 10 television station, and Arizona Republic and Phoenix gazette buildings. 1975-76 has been the best year for our Rampage staff.

# SPANISH CLUB CONVERSES

The Spanish Club is designed to offer both bilingual students and non-native speakers an opportunity to meet together for the purpose of self-improvement. Students relax in a foreign atmosphere where they converse in Spanish, play Spanish games, and listen to beautiful Latin music.

In addition to the Club's social interests, members unselfishly contribute their time toward philanthropic endeavors. Several academic scholarships are provided annually for students selected from among the membership.

This year's officers were President, Teresa Rodriquez; Vice-President, Steve Saldana; Secretary, Debbie Pratt; Treasurer, Mary Aviles.

ROW 1: Manuel Manriquez, Nancy Bracamonte, Ofilia Saldana, Anna Soliz, Tony Garcia. ROW 2: Mr. Upton, Sponsor; Mary Aviles, Helene Threadgill, Debbie Pratt, Loren Pratt, Theresa Schrader, Teresa Rodriquez, Becky Loveall, Steve Saldana.

# HONOR SOCIETY INITIATES

Citizenship, Leadership and Scholarship are the requirements for being a member in the club. Do you meet these requirements? The Honor Society is a club of students who are voted in by the teachers each second semester.

The club is just like any of the other clubs except the initiation ceremonies are quite different. Members must be well dressed when attending the initiation. Each student receives a membership card and certificate at the ceremonies. Each member should consider it an honor to be in this club.

Concession stands, tamale and bake sales along with composition contests were the main activities of the club.

Getting things ready for these different projects were President, Steve Franklin. His Vice-President was Tommy Merrill. Secretary-Treasurer was Patsy Mavis.

# FBLA RETURNS TO MHS

No, Kathy— you can't have the cake and eat it, too!

"Get To Work!" That is how Mrs. McGinley brought the FBLA back to life. A few years back the club was called VOCA-FBLA. Somehow it faded but we revived it. FBLA stands for Future Business Leaders of America. The club consists of 7 officers, 9 members, a sponsor who knows what is best, and the will to work together to make something for ourselves.

We are now registered in the State and National Chapters. Whatever we put into the club we get out double by the satisfaction we get.

Qualifications to be in our chapter of FBLA are that you have to be enrolled in a business class.

In the spring, we will compete in state contests in typing, filing, calculating, etc. If we qualify, we could go to the NATIONALS!

Money Money Money!!! During its first year of existence the Auto Club is making money by doing automotive work on the cars of Maricopa residents. Also, in order to learn more about working on vehicles, the Auto Club went to the Ford Proving Grounds to observe how new car designs are tested and how the new engines stand up to the strenuous tests. For entertainment, the members of the club went to the races at Beeline Dragway in Mesa.

# LETTERMEN TRY HARDER

President Troy calls roll ... Jeff Bentley, Here; Robert Muraira, Here; Bret Honeycutt, Absent; ...

"Initiation" — a word feared by some and enjoyed by others. To the new members of the Lettermen's Club it means an hour and a half of some of the most gruesome, and painful torture anyone could imagine. To the present members of the club it represents a night of getting revenge and taking out frustration. Eventually it all ends well.

You can expect the initiated members back in the swing of things, after a week or so of getting over the blood blisters and bruises which are a consequence of the event. Also, you can expect the new members to be ready to take part in the next year's initiation.

The Lettermen's Club does more than bring in new members. For instance, the group takes part in many money raising activities such as the Christmas Tournament which almost left the club penniless. The Lettermen's Club did some different things recently by selling ski caps and sponsoring an entertaining event called Donkey basketball. Both were big money making projects.

The Lettermen's Club is designed to show the leaders of the sports areas in this school, and to represent the future athletes of America.

SERVICE is our main goal. Our group had a rummage sale at the Mercantile which we decorated. Santa Claus was there to add color and excitement. The funds we raised were used to go to the District meeting on October 18, and the State Convention on April 2 & 3.

Our Community Project was a Senior Citizen's Home. We made curtains and cleaned the home. Some of the girls had a lot of fun painting. After we finished the home it looked great and it felt good that we had done something for somebody else.

In order to be in FHA you have to have taken one year of Home Economics. Boys and girls can be in FHA.

# YEARBOOK STAFF GOES BICENTENNIAL!

Bringing forth a new era in yearbooks to the Maricopa High campus is the staff of the Ram Preparing ads and layouts for a book to conclude a year's accomplishments at a school is a frustrating process, especially for a group whose experience in the matter is minimal.

Under the advisory of Mrs. McGinley, who two years ago took on the complicated task of heading the group of responsible and courageous students in the dedicated process of putting this book together, we prospered.

On the first Friday of the school year the Yearbook staff was visited by Mrs. Miller. She came to our school to conduct a workshop in order to get associated again with putting a Yearbook together. Mrs. Miller has been very kind and helpful to us in the past years by devoting some of her time, between writing a book of her own, and other responsibilities to other schools in helping us with taking pictures and other such efforts.

Lettergirls were organized this year. Members are girls that have lettered in a varsity sport, Pom Pon or Cheerleader.

Ms. Carol Celebre is the Lettergirls' sponsor. The officers are Susie Ysaguirre, President; Terry Flores, Vice-President; Tammi Pearce, Secretary-Freasurer; and Margaret Traylor, Chairperson.

Ms. Celebre and the senior girls were in charge of the initiation since this was the first year. The day of the initiation the rest of the club members dressed in long skirts with bobby socks and tennis shoes. They wore pigtails or curlers in their hair. They also had to sell sheets of toilet paper for one cent each.

That night the girls had the initiation in which they had peanut, clothes, and three legged races. A shaving cream contest and a volleyball game against the senior girls was played. In honor of selling the most toilet paper Lana Pearce won a lovely award of an empty toilet paper roll.

Before the night was over the Lettergirls were united by a candle light ceremony and had refreshments.

Don't you wish other schools had raving beauties like these?

# ACTIVITIES

AMERICAN REVOLUTION BICENTENNIAL 1776-1976

# "M" MOUNTAIN'S FACE CHANGES

Mr. Boyle courageously challenges the heights of "M" Mountain.

At 10:00 Wednesday morning all of the classes were loaded on buses to face our ever challenging "PAINTING OF THE 'M'."

The drudgery of the bucket brigade, the carrying of bags of lime, the mixing, and the climbing up and down the mountain were all relieved when three or four different water wars broke out including teachers, buses, and tractors.

"M" Mountain's face was changed with the Seniors adding a "76"; however, the "76" turned out a near disaster.

Festivities ended around 2:35, so classes resumed and muddy shoes and clothes helped to decorate our classrooms.

Billy and Bret mix the brew of lime for the "M".

Susan dreads the trip downward.

Freshmen Initiation took three LONG, TIRESOME days. Frustrating and mind boggling as it was, everyone had a great time. The slave sale was on the 13th of October, and the highest price paid was $8 for Delsey Kakar by Roger Quintanilla. On the 14th was Senior Fun Day. The poor Freshmen went through almost anything and everything from rolling a peanut down the front walk to proposing to a few unsuspecting teachers. Prizes were awarded to some of our more talented Freshmen.

Attire for this occasion was very up to date and foxy looking. Boys wore sexy gowns with panty hose and wigs; the girls wore either overalls or a dress with a diaper and 18 stringy, little braids.

# HOMECOMING, A KISSING SUCCESS!

The evening of October 24 was a victorious one for the Maricopa Rams stomping over the A.S.D.B. Sentinels 46 to 28. To add to the high spirit of the game was the Homecoming ceremony. Small children, Robert Mavis and Samantha Dunn, were used for crown bearers. The King was crowned by last year's Queen, Sandy Moreno. Due to the fact that last year's King, Frank Garcia, was not present, the Queen was crowned by the Junior Class President, Troy Anderson. The King and Queen were chosen by the student body on the day of Homecoming. The King was Senior, Paul Chilson and Queen, Junior, Tammy Hancock. The night before Homecoming the Pep Club sponsored a pep rally with a snake dance through town and a huge bonfire.

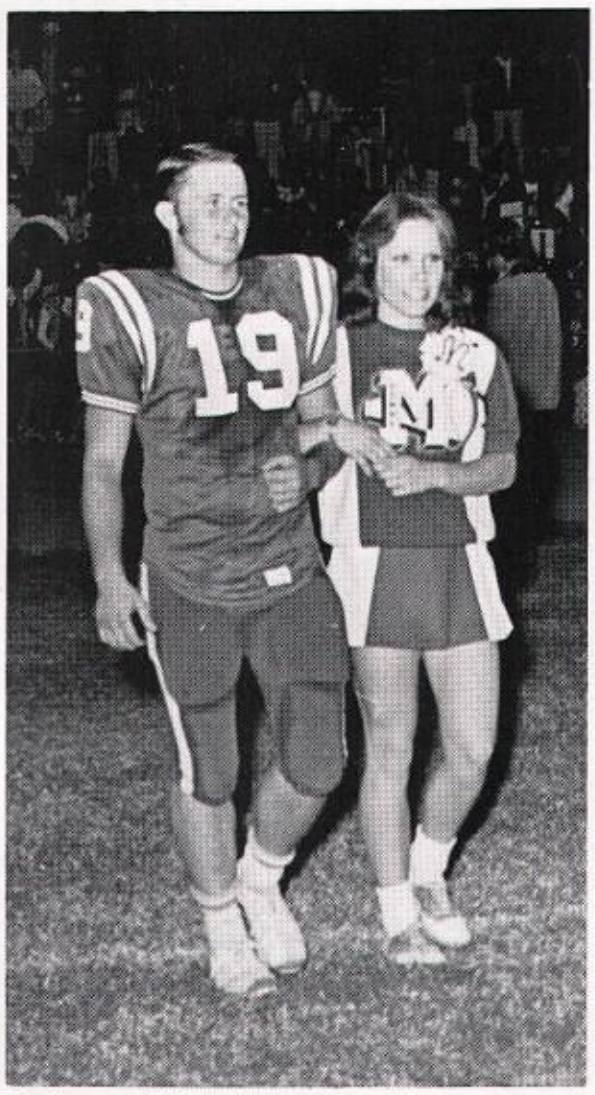
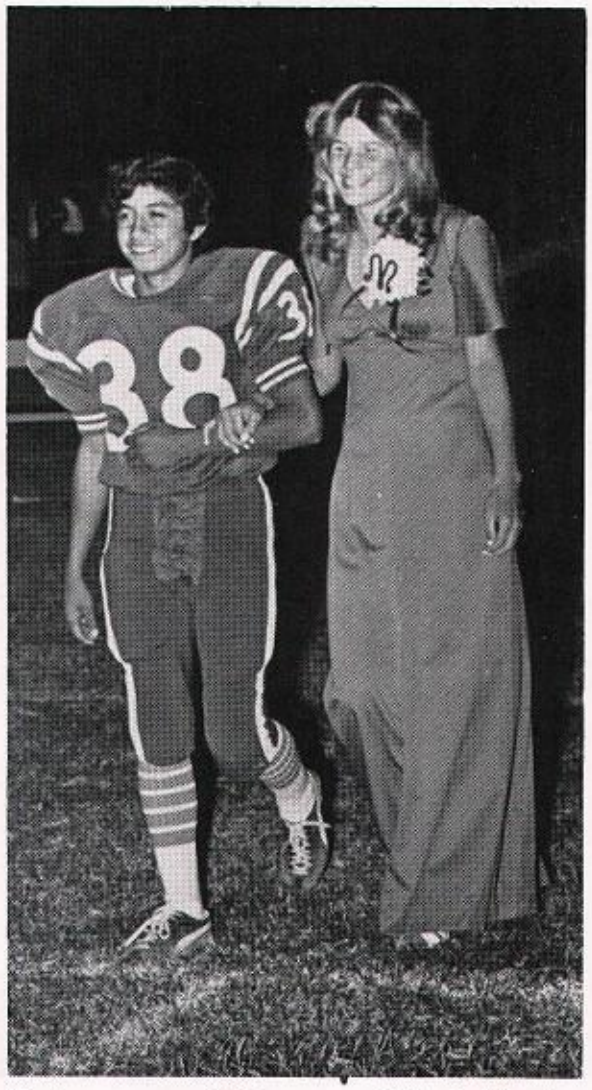
Senior candidates were Paul Chilson and Terri Flores.



Junior candidates were Bret Honeycutt and Tammy Hancock.



Sophomore candidates were Robert Muraira and Gloria Ahrendt.

# M. H. S. PRESENTS OFF THE TRACK

A group of students from the Maricopa High School presented the play, OFF THE TRACK by Felicia Metcalfe, February 11, 1976. The play was about a lonely little train station at which no one had stopped in forty years. One particular night there was a train wreck, and many passengers stayed at the station. The characters were subjected to bombs, robberies, marriages, etc. Many friends were made. When a relief train shows up, all are saved. The play was a big success thanks to those who worked so hard and Mr. Upton, the director.

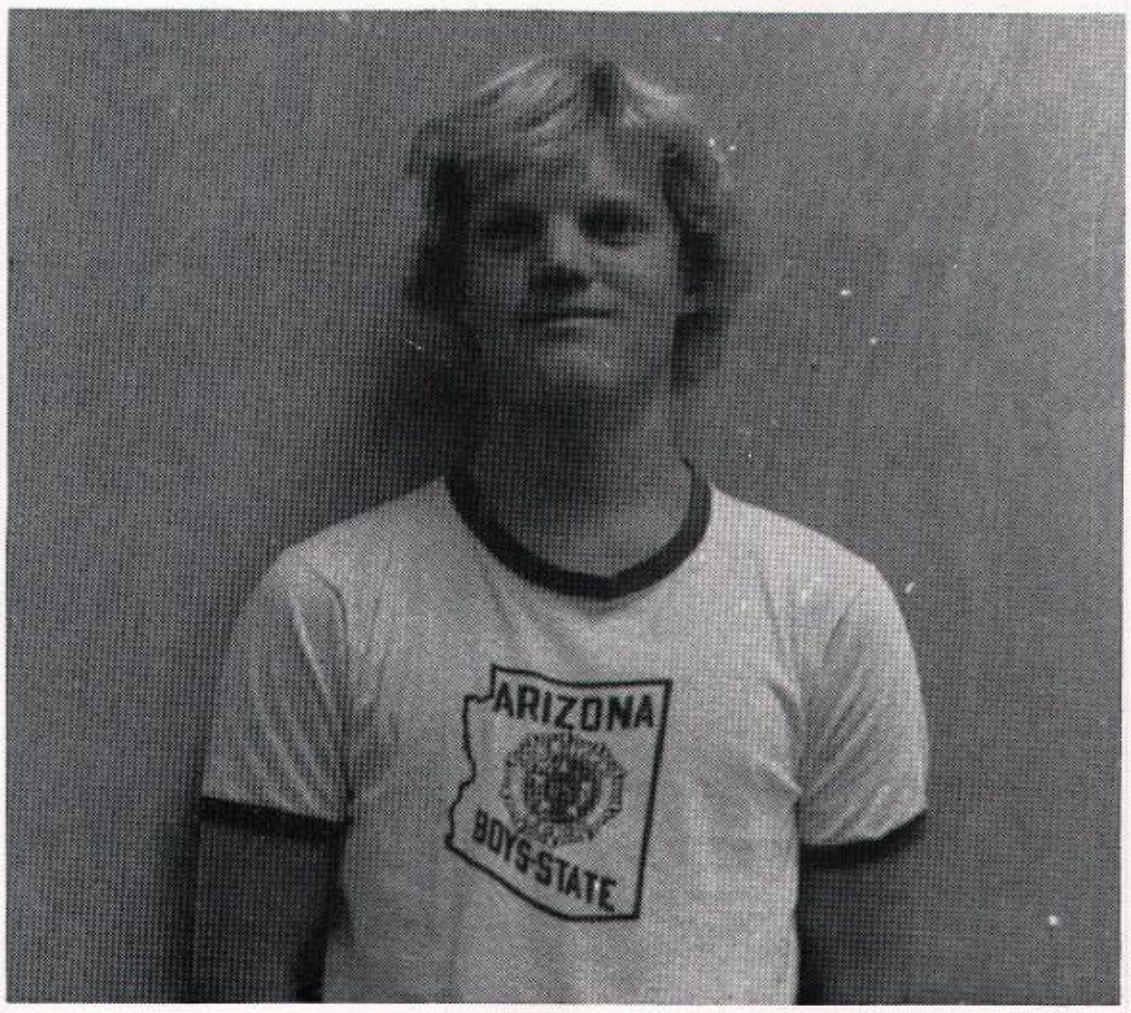
## SUZIE MYERS

Girls' State, an imaginary 51st state, taught me many things other than strictly government related items. I learned how to get along with complete strangers, how to express myself more fully, and how to respect others with different beliefs and personalities than mine. I belonged to the Nationalists' party and was a citizen of Palo Verde City which was in Supai County. Before the county and state primary elections, I decided to run for the office of Supai County School Superintendent. Much to my pleasure I won in the primary and general elections! The friendships I made at Girls' State can never be replaced and my thanks go to the B.P.W. Club for sending me.

## KEVIN SNOW



For one week, nearly 400 boys from all over the state of Arizona met together in Flagstaff, and set up their own state government. We had campaigns and elections for city, county and state offices. After all elections were finished, those elected went right to work making laws, and enforcing the laws they made. Special Boy's State money was used for all taxes and fines.

Boys' State was a fantastic and worthwhile experience for me. I learned many things about our government that I will use all of my life. I believe the most valuable thing I gained, was the friends I made. They are some of the finest people I know, and I hope to keep in touch with many of them for a long time.

**"Preseason talk was mostly the same. The varsity football team at Maricopa High figured to be a power in the Class C ranks this season," so stated the Casa Grande Dispatch before our opening game against Seligman.**

**Marks of 4—0 conference and 6—2 regular closed the season for the Rams and took us to the playoffs against Valley Union.**

**We kept our heads up and always strove for victory. Effort and determination were demanding on everyone's part and ALL the Rams met the requirements.**

**Team captains were Bobby Templeton, Norbert Peters, and Troy Anderson.**

**Billy Tow and Troy Anderson, two star players, were hurt and unable to play for the last four games. Struggle as the team did without them, Billy and Troy cheered them on.**

**Bobby Templeton was named All-Conference Class C South Division Squad Defensive Captain. He made the team's first unit on offense and defense. Norbert Peters was named for the first unit as Defensive Safety. Tom Donithan was named on the second team for offense and defense as Center and End. Daniel Antone was on the second team as a Defensive Guard, and William Antone made second team as an Offensive Guard. Bret Honeycutt was an honorable mention pick as Defensive Halfback.**

"This is our BIG chance guys!"

"And the Rams put one more through the hoop." The team has done well thanks to the great coaching of David Thompson and Don Reese.

The Rams worked hard to have a great season and they achieved this goal with no trouble. It is impossible to have a winning season if you don't set certain goals for the team. The main goal the Rams set for themselves was to prepare themselves physically and mentally for the C-South Tournament at the end of the regular season.

Maricopa may have been small in number with ten members on the team but big in size. All of the starting five on the squad were taller than 5'10". Size is what you need in Basketball and Maricopa had plenty of it. Rich Chance led in tallness with a heighth of 6'3". So as you see Maricopa was no team to push around.

Don't Jive with the Five: KNEELING: Steve Franklin. STANDING: Norbert Peters, Ricky Chance, Ray Mason, Tom Donithan.

# GIRLS LEAP INTO ACTION

TRACK GIRLS: ROW 1: Georgina Rosas, Berta Myers, Suzie Myers. ROW 2: Cindy Colvin, Gina Hamilton, Lolitha Reed, Teresa Rodriguez, Nancy Bracamonte.

Sports are for all types of individuals with the diversity of events. This is the first year for girls track. Anyone can find an event they can do in track. Even though track is a team scoring effort it is really an individual sport with the competitor competing against everyone else. We compete in meets for ribbons, trophies, and for the sport itself. Some of the events we participate in are Dashes (100, 220, 440), Runs (880, Mile, 2 Mile), Hurdles (180, Low, 120 High), Relays (440, Mile), Jumping (High, Long, Pole Vault), Throwing (Shot, Discus).

The Trackettes are really a big help at the track meets. They write down scores, run the stop watchs and set up hurdles. They also do the laundry.

After taking 1st place in ASDB Relays, 1st place in the Conference Meet, 1st place in the State Meet, 2nd place in the Superior Invitational last year, we sure didn't slow down any this year.

"Susie, I'll get it— No LaVerne, I'll get it!"

With patience and much sweat Miss Campbell developed the skills of the girl's basketball team.

Through determination the team won some games this year with the starting of LaVerne Duncan, Capt.; Susie Ysaguirre, Co-capt.; Betty Rangel, Anna Soliz, and Theresa Schrader.

We had no JV team, only three lines of five girls each. The groups were rotated to allow everyone to play in the JV games.

We improved drastically from last year — giving it everything we had to play some really good games. Most of the teams we played were surprised to find we gave them more competition now.

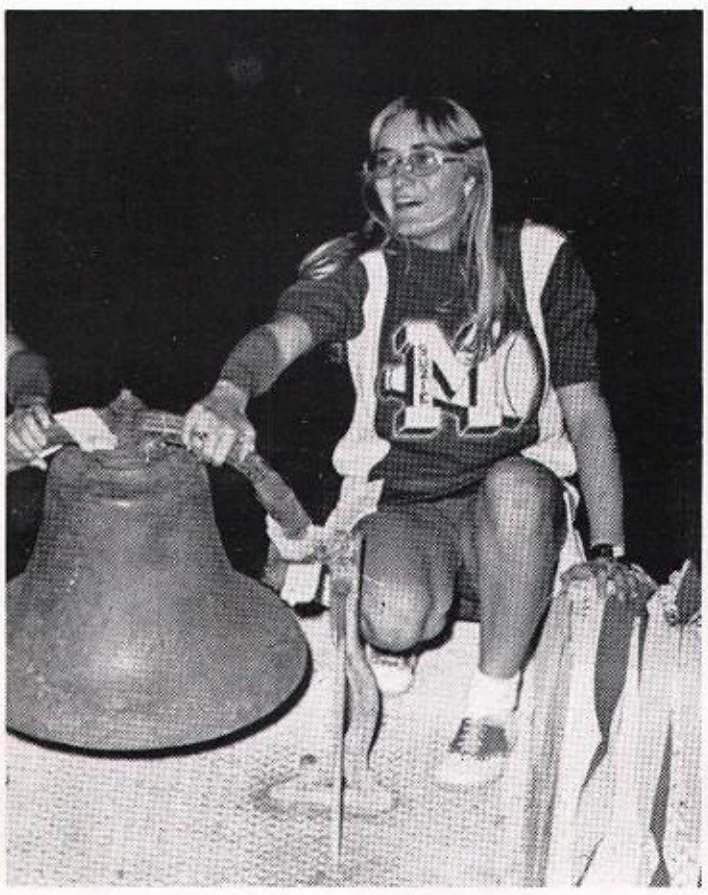
# GET ON THE GOOD FOOT!

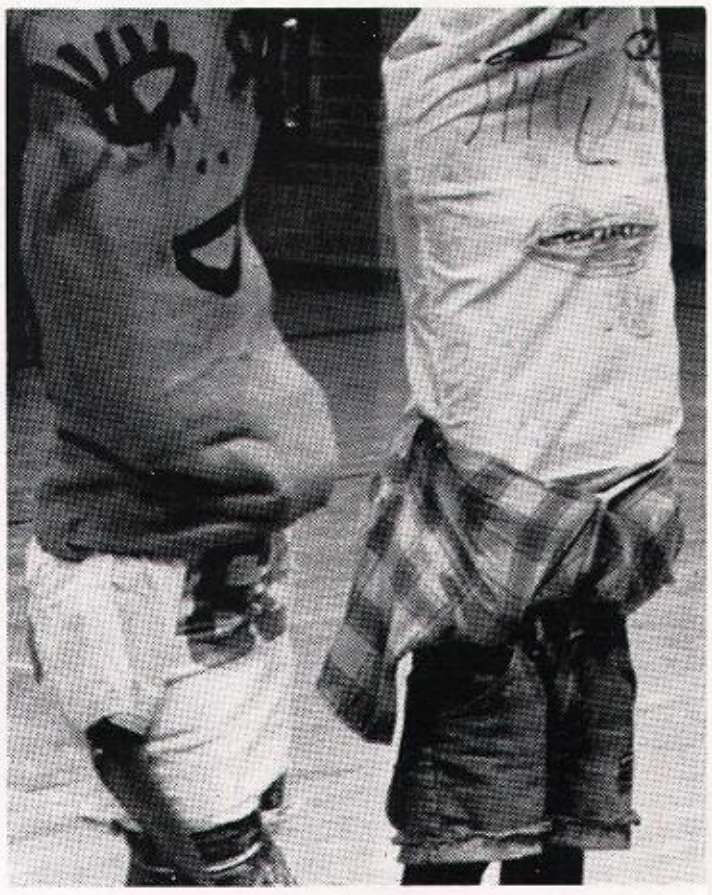


Suzie is a real ringer!

**GET ON THE GOOD FOOT! That is what the cheerleaders have done this year. Building spirit, and doing skits have been some of the highlights of the year.**

**During the summer, the girls attended the "Camp of Champs" sponsored by the National Cheerleading Association at the Northern Arizona University in Flagstaff, Arizona. The girls received a spirit stick for having spirit, and good sportsmanship throughout the camp. Each team was judged every day for the new cheers that they had learned that day. The teams were judged on technique, appearance, and enthusiasm. While fulfilling these requirements, the girls won one outstanding and three excellent ribbons.**

**Soon then, they found themselves, meeting a new, young and active sponsor, Ms. Sonja Campbell. She taught the girls some new cheers and chants, and gave some good spirit raising ideas. The year began with a whistle and a BOOM!!**



Cheerleader camp couldn't improve on everything!!!

Those active cheerleaders behind those screaming faces are: ROW 1: Lana Pearce, Suzie Myers, Head; Tammy Hancock, Berta Myers, Brenda Randolph. ROW 2: Gloria Munoz.

Lisa Smith, Head; Felicia Perez, Cindy Hogenes, Kasey Neal.

J.V. cheerleaders spirit was **Sky High.** They worked hard at the games and pep assemblies in keeping the school spirit up. There was an added event in choosing the J.V. cheerleaders. The varsity cheerleaders kidnapped the four girls who made the J.V. squad. The girls were scared when they were being kidnapped but afterwards it turned out to be a great slumber party at Suzie and Berta Myers house. Keep up the good work girls, we'll take all the spirit we can get!

# GO GET 'EM POM-PONS

This year's Pom-Pons are Elaine Manuel, Patsy Mavis, Georgina Rosas, Captain; Gina Hamilton and Tammi Pearce.

**The Pom-Pons are really going strong; they won't stop for anything. Once they set their minds on being the best Pom-Pons there is nothing that can stop them. They got a head start by practicing during the summer. They also practice after school everyday, trying to please the crowd during half time at games. In the month of November they had a bake sale and a car wash trying to raise money for new uniforms. Their sponsor is Ms. Celebre. Go get 'em girls!**

Mr. Silvas sings: "Do, Rey, Me!!!"

"Touch me again and I'll deck you", grumbles Susie Y.

Mrs. Silvas is always day dreaming about Mr. Silvas.

Lana and Anna take it easy.

"Hi all you folks out there in KIDDIE LAND," comments Berta.

Those turkeys on the top of the mountain are really working hard.

"Look Ma!! NO CAVATIES!"

The Cheerleaders have really had a lot of fun. Some of us went to NAU Camp last summer and learned many cheers. It was a good experience for us.
